Busy Week for Local Medical Reserve Corps

First Aid for All Comers

“Would you set up a first aid station at the Duvall Visitor Center during Duvall Days, June 3rd?” Sure.

“How about a first aid station at Carnation Farms for the Cascade Bicycle Club’s Flying Wheels Ride the next Saturday, June 10th?” Sure.

The all-volunteer Carnation-Duvall Medical Reserve Corps is trained and ready to support community events. Byron Byrne, CDMRC trainer, said, “Give us some time to call down our membership list and we will do our best to be there.”

Medical Reserve Corps First Aid Station open for business at Carnation Farms during the Cascade Bicycle Club Flying Wheels Ride, June 10, 2017. Photo by Teri Breitenbach.

Special thanks to CDMRC members who turned out from Carnation – Teri Breitenbach, MA – and from Duvall – Lisa Brouwer, Gary Haines, Milt Hanson, MD, Donna Meade, LPN, and Deary Panek, RN.

Next year, we will again be providing first aid during Duvall Days and the Cascade Bicycle Club ride.

If you have caregiver experience or just want to help those who do, to volunteer email mrc@cdccc.us. Volunteering with us is a great way to give back to the community.

Sponsored by the US Surgeon General, the local Medical Reserve Corps is a program of the Carnation-Duvall Citizen Corps Council – working since 2002 to keep the community safer, stronger and better prepared.

Look us up at www.cdccc.us.
